

OVER WATER BOAT DOCK LAYOUTS

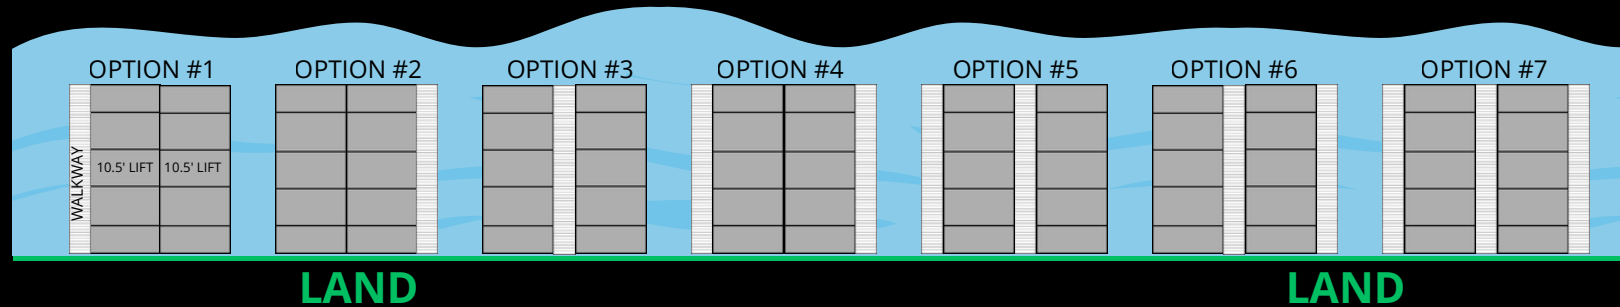

Over-water boat docks extend approximately 24' out over the water. Several walkway and catwalk configurations are available, allowing you to choose the layout that best suits your property, watercraft, and waterfront needs. Walkways are typically 3' wide but can be constructed up to 5' wide.

Explore the layout options below for our three dock sizes: single, one-and-a-half, and double. Each diagram shows an overhead view of the dock, including the available walkway configurations.

DOUBLE

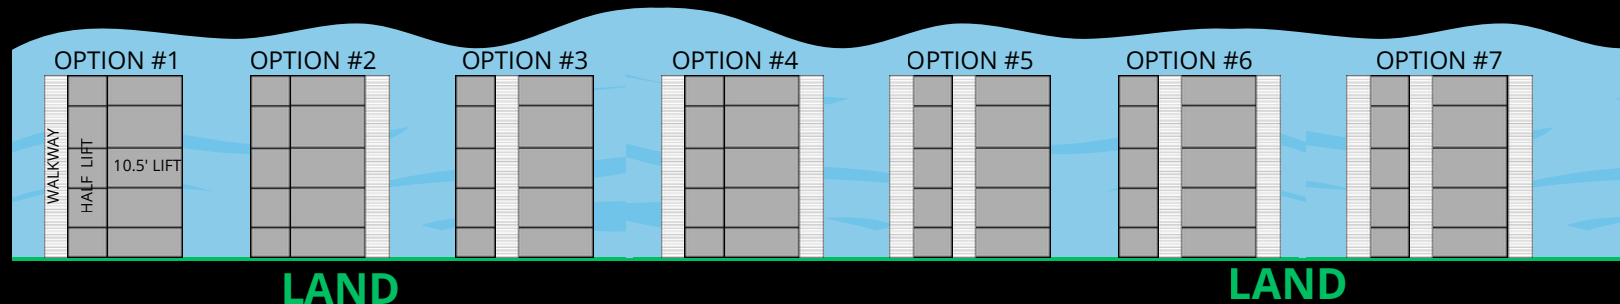

TWO 10.5' WIDE LIFTS

ONE-AND-A-HALF

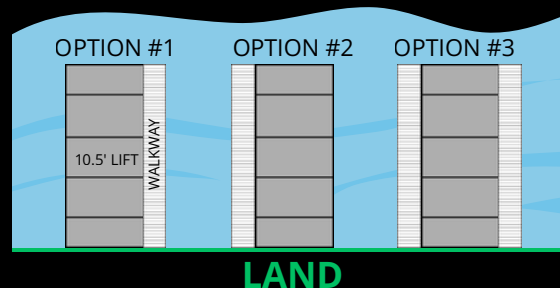

ONE 10.5' WIDE LIFT
ONE 6-7' WIDE LIFT

SINGLE

ONE 10.5' WIDE LIFT
